

VNU – University of Science, Vietnam National University, Hanoi
Faculty of Environmental Sciences

THE 2nd ANNOUNCEMENT
POSTPONEMENT OF THE CONFERENCE
(10th International Forum on Green Technology and Management – IFGTM 2020)

The International Forum on Green Technology and Management - IFGTM is an annual event initiated by Consortium for Green Technology Management and Research, which provides a platform for researchers and managers to share knowledge, experience and research results in various aspects of the environment, with a focus on green technology and management. The 10th International Forum on Green Technology and Management - IFGTM 2020 is hosted by Faculty of Environmental Sciences - VNU University of Science, Vietnam National University, Hanoi. This conference will also be one of the activities in a series of events to celebrate 25 years of establishment of the Faculty of Environmental Sciences in October 2020.

However, in the light of the COVID-19 pandemic, the Organizing Committee has therefore decided that the IFGTM-2020 conference will be held on **27th – 28th of November, 2020**. The details program of the conference will be announced by the Organizing Committee in the shortest time.

Please feel free to contact the following for any inquiry:

Official website of the conference: <http://ifgtm.vn>.

Address: Faculty of Environment Sciences, VNU University of Science, Vietnam National University, 334 Nguyen Trai, Thanh Xuan, Hanoi.
